

## THE PARTRIDGE GROUP FOR MEN

### 2011 SEASON – Provisional Programme

8:00 for 8:30 p.m. on Wednesday evenings

Jan 12		
Jan 19	Patrick Daunt, Churchwarden at St. Mary's, Little Abington	The churches are in doubt not only on matters of sex and gender. What is the final destiny of believers and unbelievers, of the righteous and the unrighteous? No one seems to want to discuss this, Pat Daunt wonders why.
Jan 26	Revd Bruce Kinsey, Chaplain at the Perse School in Cambridge	Bruce Kinsey (who is a priest as well as a psychotherapist) has worked with young people at the University and in hospices, prison and local schools for much of his career, so is ideally placed to tell us about the hopes, fears and beliefs of the next generation.
Feb 2	Wayne Talbot Ely Diocesan Environment Officer	Wayne speaks on 'Stepping Into Sustainability – Climate Change Challenge'. Our carbon footprint; the greenhouse effect; causes; consequences and solutions - what can or should we do? And what if anything is there to glean from the Gospels?
Feb 9	Dr Michael Berdine, Principal of the Cambridge Muslim College	Michael gave us a fascinating talk on Islam in the 2010 series – for most of us our first informed understanding of the Muslim world. That world has diversity as wide, and at times as bitter and diverse, as that in Christendom. Michael will address this issue of diversity in Islam, as well as some of our current concerns.
Feb 16	<b>PROVISIONAL</b> Revd Dr Gregory Seach, Dean of Clare	'Theology and Literature'
Feb 23	Revd Bruce Waldron, Minister at Abington URC & Sawston Free Church	Bruce will speak on "Melodies and Life" - his views and experience of music, worship and life.

*Subject to change in the light of weather and other unpredictable circumstances!*
