## Letter from the Editor

Today with sunshine and temperatures in double figures it feels like spring. But how deceptive the weather can be as the recent snowfall and hard frosts overnight have proved. The Abingtons Litter Pick-up was postponed because of the snow, and has been rearranged for 7 April (page 15).

There are commendable successes to report in charitable fundraising. Congratulations to the supporters of the monthly Hildersham Whist Drives who have made significant donations to several charities (page 9). The indefatigable cooks and helpers at the Lent Soup Lunch and Deanery Fair also raised goodly sums (page 5). Warm thanks to the Co-workers of Mother Teresa whose knitting has produced an amazing amount of clothing and blankets for needy UK and overseas organisations (page 6).

There was a full church for Mothering Sunday and a heart-warming service. The new vicar will find that he is joining very actively caring communities. Iain McColl will be licensed at 7pm on 12 April and everyone is invited to Balsham Church for this event (see page 5).

The Parish Nurse is in such great demand that a part-time helper has been recruited and, since these are community-funded posts, we are asked to make donations to support these posts. We must also remember that there continues to be a need for donations to the Foodbank and items can be collected at all our churches and the Institute. See pages 5, 7.

Warmest congratulations to Ravinder Sangha for achieving second place in the 2018 South Cambs. Community awards for Outstanding Service.

Rod Willcox will be placing an order of oil for delivery in the first week of May. See details on page 15.

From 15 April there will be some substantial changes to the times of buses 13/13A/X13 on Mondays to Fridays. Contact details for more information are on page 15.

The Institute AGM is on 23 April. Please attend if you can (see page 13). Comments on the Neighbourhood Plan should be made by 16 April (page 15).

Best wishes for a Happy Easter.

Valerie Silvey

## From the Seven Churches

This year is racing by and Easter day will be over by the time you read this. We are in a season of new beginnings, thankfully the really cold weather has gone and now we can see the new growth springing from what appeared to be dead. It is amazing how nature reinvents itself, and wonderful to see the glorious colours of spring and more daylight hours to enjoy them with the clocks going forward. I am reminded of the Easter story that tells of Jesus' crucifixion at the end of his life, or so it was thought, but three days later he rose again and is still alive, inspiring and encouraging us.

The poem by William Henry Davies that says 'What is this life if, full of care, we have no time to stand and stare. No time to stand beneath the boughs and stare as long as sheep or cows...' and ends with 'A poor life this if, full of care, we have no time to stand and stare'. Maybe this could be our new beginning?

We have another new beginning with our new Rector joining us shortly; it is strange to think that Canon Bill Girard died just before this arrival. But we are looking forward to having someone to lead us in bringing about new ways of engaging church and community. The usual St. George's Day service will take place at 3pm on 22 April, at Balsham church, so that will give the scouts, cubs, brownies and guides a chance to meet Revd McColl.

There is a new beginning for West Wrattling church with the introduction of Café church. The first one in February was very successful and the next one will be at 3pm on 29 April. Also that day we have our United Benefice Service at 10am at Hildersham church. The service will be led by Iain and the Archdeacon Alex Hughes. Do come and join us, we would love to see you.

Blessings to you all  
Revd Kathy Bishop

## Reuben Dry

The family of Reuben Dry (Ben to all) would like to thank everyone for all the cards and messages, and flowers, and for all who came to his funeral and then back to the house. 'A real village funeral' as someone said.

Thank you for all your support. Love, May Dry

**Kay Camps** Sadly, after a short illness, the death occurred on Wednesday 28 February of Kay Camps, aged 93, of Grange Farm, Little Abington. Kay was the wife of the late Richard Camps, mother of Tricia and Sidney, grandma of Timothy, Christopher and Emily. Kay came to Abington in 1952 and soon became part of village life. For many years she helped to provide teas for the Forget-Me-Not Club members - meringues, éclairs and butterfly cakes being her speciality. Kay was on the Institute committee and enjoyed being the wardrobe mistress for the Abington plays and reviews in the 1980s. Kay looked forward to reading the Abingtons & Hildersham News each month and often said she thought that Abington was a beautiful village and she loved living here at the farm. Kay will be greatly missed by all her family and friends.

## News from the Pews

We are delighted that, following Revd Iain McCall's licensing on the evening of Thursday 12 April in Balsham Church, he will be conducting his first service in Great Abington Church on 15 April followed by Little Abington Church on 22<sup>nd</sup>. This will be a good opportunity to meet our new vicar; we therefore encourage and will welcome all members of our community to attend these special services, which will be followed by refreshments.

Thank you to all who gave donations for the Easter Lilies in memory of their loved ones, with thanks also to Freda and Carole for arranging the lilies so beautifully.

Thanks also go to everyone who helped to clean and decorate our churches for the Easter celebration.

Sincere thanks to the ladies who provided a selection of delicious soups to raise money for Christian Aid, following the slogan 'Count Your Blessings', and indeed to all who supported the event. After expenses £133.20 was raised with Gift Aid included. Christian Aid will use this money to help displaced people in Kenya and Nigeria. £20 could provide animal feed for the family's livestock. £40 could provide cash for two families to buy the food they desperately need and £90 could buy a month's supply of beans for a family forced to leave their home with nothing. Thank you for your generosity.

The Abington and Hildersham table of produce at the recent Deanery Spring Fair raised the grand sum of £157. Thank you to all who gave items and to those who supported the Fair.

The Mothering Sunday Service in Little Abington Church was a truly joyful occasion. The church was filled to overflowing with families and children. Rosemary conducted a heart-warming service for both parents and their children. Glenis Todd brought along the school choir who sang beautifully to us. Thank you Glenis. The children were given posies to give to their mothers or carers. After the service there was an array of tempting refreshments.

**The Church APCM will follow the Evensong Service in Little Abington Church – 6pm on Sunday 8 April. All are invited to attend. If you are interested in joining the PCC please contact Tony Collett, Graham Ross or Church Secretary Mary Miles. (Contact details on the back page)**

**Charity for the Month – The Parish Nurse –** Our Parish Nurse is helping to build a community where children and families are supported and is a good place in which to grow old. Due to the growing demands on Claire Gillett, our Parish Nurse, the project needs to expand by employing a new part time community worker. This project is funded by donations. Please help by donating to this important project if you can. There are charity boxes in both our churches or hand your donation to a churchwarden. (Also see page 7) Thank you.

### Co-Workers of Mother Teresa 2017/18

An update on our work:

During 2017 we have been able to supply Cambridge Social Services with 12 knitted jumpers, scarves and hats for unaccompanied child refugees from Syria.

Three sacks of cot blankets have gone to the Premature Baby Unit at the Rosie.

We have sent two consignments containing 32 blankets, hats, scarves and children's clothes via the charity **Hope and Aid Direct** for refugee camps in Eastern Europe.

We have also been able to contribute to Operation Christmas Child with hats and scarves, colouring books and crayons.

We have sent eleven sacks of various knitted goods to the charity **Knit for Peace** which has featured in the media recently.

56 children's jumpers were sent last year to the Holy Family Crèche in Bethlehem, and this year we have sent a record 82 jumpers.

Many thanks to all the homeworkers who have helped us to do this.

Our knitting group meets on the fourth Thursday of the month in Chalklands Community Room, Linton, from 10.00 to 12.00.

## A message from the Parish Nurse, Claire Gillett– April 2018

It's hard to believe that I last wrote in the village magazines back in June 2017, telling you a bit more about myself and my role as your Parish Nurse. Since that time I have met even more villagers, both visiting those that need me in their homes and getting to know some of you at the Mays Avenue Coffee mornings in Balsham and the Forget-Me-Not Club in Abington.

At the time of writing last summer I asked if there was anyone out there who would be interested in volunteering for the project. I'm pleased to let you know that I now have a volunteer, Sue Buckingham, who will be working one day a week. Sue has many years experience working with Age UK, I'm sure many of you will have come into contact with her already.

We have produced a newsletter with information about the work that the Parish Nurse has achieved since the project started and talking about our plans for the future. If you would like a copy please contact Cazzy Walshe at [7churches.seven@gmail.com](mailto:7churches.seven@gmail.com) or 01223 891 442

Our next Parish Nurse event takes place on Thursday 26 April, at the Black Bull in Balsham, when we will be hearing more about the work of the Buurtzorg nurses. I am pleased to say that two of the nurses will be with us for the talk (see page 9).

A reminder that as your Parish Nurse I work for the 7 churches, covering West Wickham, Weston Colville, West Wrating, Balsham, Hildersham and Great and Little Abington. I work three days a week, Mondays, Tuesdays or Wednesdays and Thursdays. I am not an emergency service or a replacement for the services already available to you through your General Practice. I do however hold an honorary contract with Granta Medical Practice and have access to the surgery.

If you would like to get in touch my contact details are 0749 899 4205 or email [7churches.parishnurse@gmail.com](mailto:7churches.parishnurse@gmail.com)

If you would like to know more about Parish Nursing please visit the Parish Nursing Ministry website at [www.parishnursing.co.uk](http://www.parishnursing.co.uk)

Blessings, Claire

### **Haverhill Foodbank (Reach Community Projects)**

There is a general shortage at the moment for the following items – small jars of coffee, teabags, sugar, longlife juice and milk, biscuits, instant mash, custard and tinned items (tomatoes, fruit, vegetable, meat/fish, sponge pudding).

Please use collection points in the churches and the Institute for your donated items. Thank you.

### **Make a will, help transform patient care**

Making or updating your will can seem like a big challenge. However, it can be a lot more affordable and straightforward than you may think. Addenbrooke's Charitable Trust's annual Make a Will Week takes place this year from 23 to 27 April. A group of local solicitors and will-writers have kindly agreed to waive their usual fees and write or update a simple will, in return for you making a donation to change patients' lives at Addenbrooke's and the Rosie hospitals. To find out more, simply call Alice on 01223 254 841, email [hello@act4addenbrookes.org.uk](mailto:hello@act4addenbrookes.org.uk) or visit [www.act4addenbrookes.org.uk/makeawill](http://www.act4addenbrookes.org.uk/makeawill).

## **Hildersham Focus**

### **Emmaus Collection Tuesday 17 April**

Although we thought that everyone had cleared their lofts and garages it seems there is always something else to be found. Please have a look and see if there is anything you no longer require, clothes, bedding, furniture, crockery, garden tools and electrical goods. Please drop off your items at Hildersham Village Hall between 6.30pm and 8pm on Tuesday 17 April.

**Hildersham Holy Trinity Church APCM** will be held in the church on Thursday 19 April at 7pm. Everyone is welcome to attend and listen and discuss the year ahead for the church.

### **Hildersham Lecture Series Friday 27 April**

Our lecture for this month will be given by a local author Hilary Green. Her area of interest, which encouraged her to write a book, is Surviving the Death Railway.

Hilary will be bringing some copies of her book which she will be selling at the end of her talk. £5 per person which includes a glass of wine or a soft drink and delicious mouthfuls.

'Demystifying the teenager' is the topic for a talk and discussion on 22 May. Do pencil this in your diary and more information will be available in next month's magazine.

### **Scotathlon**

As promised, a little more information regarding the Scotathlon. This exciting and original event, dreamed up by our adventurous young people, will take place in Hildersham on Sunday 17 June. There will be scooting races for the very young and a scoot and run for the young and old between the village greens and across the meadow. Refreshments will be on sale and everyone is welcome to join us for Sweaty Church at the end of the afternoon. The May issue of the magazine will have race routes, registration information and timings.

### **The Portable Pint returns to Hildersham**

The Portable Pint returns to Hildersham Village Hall for another pop-up pub night on **Friday 27 April**.

The Portable Pint, founded in 2017 by Linton resident Tony Kelly, has just celebrated its first anniversary and now operates in five different villages, all of which have lost their pubs. 'I would love every village to have its own thriving community pub and I look forward to the return of the Pear Tree, but in the meantime I will provide occasional pub nights, turning the village hall into a pub for the evening with real ale, cider, wine, soft drinks, pork pies and traditional pub games,' says Tony.

The bar opens at 6.30pm and stays open until 10.30pm, so there is time for those attending the Hildersham Lecture in the church to pop in for a pint beforehand or continue the discussion in the pub afterwards.

The Portable Pint is also available for private parties and charity events. For details, please see our Facebook page.

The next meeting of Hildersham Parish Council will be on Tuesday 10 April 2018 from 7.30pm at Hildersham Village Hall, High Street, Hildersham  
Everyone welcome.

**Hildersham Whist Drive**

In the last year these Whist Drives raised money which has been donated to the following charities:

£200 to the Arthur Rank Hospice

£200 to ClicSargent, child cancer unit

£158 to Cancer Health Centre at Scotsdale Garden Centre

Congratulations.

## **Linton Village College - Marsh Mail**

One of the most memorable moments of the spring term at LVC (heavy snow aside) has been the College's production of 'The Crucible'. The play was an absolute triumph and showcased incredibly accomplished performances by our students. The high standard of compelling acting was very impressive for an 11-16 College, especially given the mature themes in Arthur Miller's play.

Performing a script that centres on the Salem Witch Trials in 1690s Massachusetts certainly stretched the students' dramatic skills as well as their historical knowledge. Miller wrote this as an allegory for McCarthyism in 1950s America. This rich political undercurrent offered powerful messages for members of the audience and cast with some very emotional and poignant scenes, demonstrating the spell-binding power of the Arts.

The cast and crew developed in all sorts of ways in the lead up to show nights. Team work, commitment, confidence and resilience, to name a few of the aspects of personal growth.

Historically, when discussing subject option choices with students as they make decisions about their future studies, a number of them have shared the view that the Arts subjects will provide light relief from their other options, or even, sadly, that they are hobbies rather than academic courses. It is credit to the Arts Faculty that these misconceptions are not widely held at LVC. In recent years we've seen a dramatic increase in numbers of students opting for Arts subjects.

With current technological advances it's arguably those that are most creative in their fields that will exceed the functions of automation. Additionally, the creative industries provide a significant proportion of employment opportunities and £84 billion annually to the UK economy. Any student (or adult) that has experienced the pain-staking commitment of learning lines and perfecting a performance, hours of instrumental practice or artistic experimentation will appreciate the discipline and dedication required to excel in creative arts.

I was thoroughly proud of the achievements of students and staff to achieve such stunning performances. 'The Crucible' was an example of the power and beauty of the Arts and an important reminder of the importance of enriching, educational opportunities.

## **Sawston Village College**

Adult education courses have always been very popular here at Sawston Village College. This year we would like to have a broader range of subjects. Therefore, the challenge is to find tutors! We are currently looking for tutors in the following subjects German, Mandarin, Chinese, Japanese, Russian, Portuguese, Polish, woodwork, carpentry, car/bike maintenance, willow weaving. This list of course is not exhaustive; there are so many subjects that could be offered. The key is to appeal to the local community in and around Sawston.

If you are enthusiastic and an inspiring person, and have significant subject knowledge, then you could be a great tutor. Of course, teaching or training experience is preferred. However, training is available including online options. The benefits of being an adult tutor are extensive, not only is the pay competitive at £25 per hour, the personal rewards of teaching are immense.

If you would like more information about working in Adult Education, please either telephone or email us on the contact details below. We look forward to hearing from you.

## Elections

All Parish Council seats are up for election in May this year. Although the powers of a Parish Councillor are very limited it is an important role and the work is for the benefit of the community, which can be satisfying. If you would like to put yourself forward for election as a Parish Councillor, you can obtain a nomination form from the PC Clerk.

## Neighbourhood Plan

The Parish Council submitted the Neighbourhood Plan for the former Land Settlement Association Estate on 22 February. South Cambs. District Council is now consulting on the Plan until Monday 16 April (see also page 15).

## Granta Park Access

The chairmen of both GAPC and LAPC continue to do their best to regain access to Granta Park for village residents. Unfortunately, we have made little progress in obtaining open access although village residents can get access through the main entrance. The new gymnasium complex has now opened, and membership should be available to village residents in the very near future. We have asked for the pricing of the gym to be looked at as it may be a way to get access for some people.

## Planning

### **Planning**

S/0250/17/CW Extension to waste transfer facility, Worsted Lodge. The Parish Council is grateful for the opportunity to visit the site and has no objection to the proposed improvements.

S/0214/18/FL Retention of temporary marquee at AKB building (MedImmune), Granta Park. Supported.

### **Affordable housing**

The affordable housing on the new development on the High Street/Pampisford Road is to be advertised soon. Please register your interest as soon as possible.

### **Proposed closure of Cambridge Magistrates' Court**

The Parish Council commented on this during the consultation period (ended 29 March).

### **Highways and traffic**

The Speedwatch team is up and running and operating in several areas of the village.

The Highways Department has been notified of a potentially dangerous tree on Newmarket Road opposite the entrance to the Perse playing fields.

Poor road surfaces have also been noted in Church Lane, Church Close and West Field.

### **Litter and conditions at Fourwentways**

The Enforcement Officer from the District Council has visited to see litter problems at Fourwentways for himself. Councillors are still waiting to meet the County Council and are aware of the damage to the fencing and destruction of a bin where lorries are parking.

### **Village environment/Community engagement**

**Closure of Granta Park.** This was discussed at meetings between the chairmen of LAPC and GAPC with Nuffield Health, Granta Park, BioMed and TWI. A number of possible options for access to the gym and park are under consideration. The new gym is now open to employees of companies on Granta Park; village residents will also be eligible to apply for membership in due course. An exhibition will be held in spring/summer for residents when more information about membership will be provided.

**Noise from Granta Park/TWI.** This is being logged by residents and reports are being sent to TWI.

**Annual Parish Meeting** The LAPC Annual Parish Meeting will be held on Monday 23 April. Please let the Clerk know if there are any points you would like to add to the agenda. Residents are invited to attend the meeting at 8.00 pm.

**Lights, roads and pavements** The Parish Council noted that the Millennium Path needs maintenance following snow and rain damage and that the snicket between Bourn Bridge Road and Cambridge Road needs weeding.

### **Problem parking**

Residents are reminded that parking is not permitted on grass verges or pavements at any time. Bad parking causes damage and obstruction and action will be taken where incidents arise. Damage is particularly serious when the verges are wet.

### **Litter pick**

Snow stopped the litter pick scheduled for 17 March. It will now take place on Saturday 7 April.

## **Forget-Me-Not Club**

It was with sadness that members learned of the passing of Kay Camps. Kay was one of the pioneers of the FGMN Club in the mid fifties, and remained a committee member for many years. She was a well-known member of the community, always willing to help wherever she could. We will remember her with sincere gratitude.

Members happily left the last meeting in March clutching an Easter Egg after enjoying a delicious Fish and Chip lunch followed by lemon tart and cream. A joyful start to the Easter break.

During a recent committee meeting, plans were made for the 63<sup>rd</sup> birthday party when we will look forward to a visit from the Pre School children. The meeting will begin as usual at 2pm when members can enjoy Afternoon Tea.

At our first meeting in April we are joining in the fun that the children of Abington are currently enjoying, 'Abington Rocks', proving we are never too old to join in the fun. You can follow this new venture on Facebook.

**Please note our AGM will be on Tuesday 1<sup>st</sup> May**

### **Dates for April**

**Tuesday 3 April 2pm – 'Abington Rocks'**

**Wednesday 11 April – Trip to Morrison's**

**Tuesday 17 April 2pm – FGMN Club 63<sup>rd</sup> Birthday Party.**

## **Abington & Hildersham Women's Institute**

There was a wedding theme to our March meeting, so we started the evening with fizz to get in the mood.....for our Annual General Meeting! Reports of the year's activities and full accounts of our income and expenditure reflected another successful year for our WI. Thanks were given to the 2017 committee for their organisation and to the members for their continued support. The new committee was elected and members voted unanimously for our new President, Janyce Garrod. Plans for future meetings and outings were discussed.

Business over, we relaxed with canapés and cake - a special wedding anniversary cake beautifully made by Hazel Webb. Members had brought wedding photos (mostly b&w!) and often the husbands were more easily identified than the beautiful brides! Bethany Coates gave a slideshow of her lovely wedding in December and we admired her mother's handiwork in the beautiful beaded bodice of the dress.

I thank all members for their support, encouragement and kind gift on my retirement as President.

**Next meeting: Monday 9 April 7.30pm - A woman's life in the Army by Lucy Lewis.**

New members and visitors (£4) always welcome.

Marilyn Broadhurst (893 214)

March did not start very well as, unusually, we had to cancel the Thursday walk due to adverse weather. The Saturday walk took us to Barley and Barkway.

Come and visit Gransden Lodge Airfield to find out about the sport of gliding. All welcome. Trial flights with our qualified instructors are available on a first-come first-served basis (subject to weather).

Refreshments, free admission, aircraft displays and talks.

## New Aviation badge for Brownies

The Girlguiding movement is updating itself for the 21<sup>st</sup> century by replacing many traditional badges based on crafts in favour of activities that will widen girls' horizons, and build skills that prepare them for future jobs.

As part of this development Brownies will be able to work for a dedicated aviation badge that will require girls aged seven to ten to learn about the basic principles of flight and build their own model aircraft. This will involve creating a list of 40 things that fly and investigating how they are powered. The Brownies will also create their own aircraft experiments with different materials, structures and launch techniques. Airline easyJet has agreed to provide sponsorship, materials, pilot speakers and the chance to visit the airline's bases.

At present only four per cent of pilots are women. It is hoped that the new badge will encourage the next generation of girls to consider a career in aviation. Captain Marnie Munns, who lives locally, has been a commercial pilot for the last 18 years and is working with easyJet on this exciting new partnership.

(Article based on a longer report in *The Times* on Thursday 1 March 2018).
